

# UNLOCK YOUR POTENTIAL

## Gain new qualifications for free through the HNY Learning Hub.

The Humber and North Yorkshire (HNY) Health and Care Partnership has partnered with DN Colleges Group to create a learning hub with courses relevant to both clinical and non-clinical job roles, at academic levels 1, 2 and 3.

To be eligible to enrol, you must be employed (paid or unpaid) by one of the HNY's health, social care (including independent sector) or voluntary, community and social enterprise (VCSE) organisations.

All courses are accredited and provide a nationally recognised qualification.

### Course topics on offer include (but not limited to):

- Mental health awareness
- Common health conditions
- Introducing caring for children and young people
- Understanding specific learning difficulties
- Equality and diversity
- Principles of business administration
- Principles of end of life care.

There are no restrictions on the number of level 1 or 2 qualifications an individual can complete. Level 3 qualifications are available to those who do not presently hold a level 3 (A-Level or equivalent) qualification.

Some courses will offer paper-based learning. Please enquire via the enquiries form on the learning portal below.
